MultiLab® Pro IDS

The **all-in-one solution** for all electrochemical parameters with up to **4 parallel measurements**

pH | ORP | COND | DO | ISE* | TURB

2 LIMS ready

- Integration into existing LIMS systems
- Secure data transfer

3 GxP compliant

- GLP compliant
- GMP compliant
- 21 CFR Part 11 compliant
- Trial version available

1 Intuitive and user-friendly

- Predefined methods
- Automated documentation
- Metadata backup
- Onboard manual

4 Up to 4 parameters simultaneously

- pH, ORP
- Temperature
- Conductivity
- Diss. Oxygen
- ISE (coming soon)
- Turbidity

5 Compact and efficient

- 7” Touchscreen
- 197 x 161 x 70 mm
- Anti-slip
- Special touchscreen glass operable with gloves
- Alcohol & disinfectant resistant
